

Additions and Corrections

6- β -Hydroxymaslinic Acid, a Triterpene from *Vochysia ferruginea*

Yasmin L. Zucaro Z., Reinaldo S. Compagnone, Sonia C. Hess and Franco Delle Monache – 2000, vol. 11, No 3, 241-244

The structure of **1/1a** in the text should be replaced by the following structure:

Differentiation Between the *like* and *unlike* Isomers of Dimethyl 3,4-di(*p*-anisyl)adipate Using ^1H NMR Spectroscopy

Ivan P. de A. Campos, Solange K. Sakata, Hans Viertler and Vera L. Pardini - 2000, vol. 11, No. 3, 324-327.

On p. 324, right-hand column, 6th line of text, substitute ' $J(\text{BX}') \gg J(\text{AA}')$ ' by ' $J(\text{BX}') \approx J(\text{AA}')$ '.
